Summary

The camp

The Pistol Intensive Camp is dedicated to competitive pistol shooting. The participants practice shooting fundamentals, movement techniques, physical and mental fitness, difficult targets, dynamic shooting stages and join a competition at the end of the week. The program includes instruction, coaching, drills, sport tactics and tests.

We build a small team of participants for the camp. The participants learn from the instructors but can also observe the other team members and profit from their experience.

SwissAAA works together with local contacts to provide an optimal practice environment and an overall enjoyable experience.

What to expect

In the Pistol Intensive Camp you will enhance your knowledge as well as your skills. You will learn how to improve your hits and how to save time in order to optimize your score. You will be guided through a proven set of exercises and drills.

Through careful analysis of your techniques and mindset you will be coached to improve your overall performance. Apart from shooting, the training will address physical and mental fitness, efficiency of movement, stage tactics and match strategy. Progress will be measured continuously by performing specific tests and analyzing the results.

Participants

Participants should already have a solid basic pistol education and be able to handle firearms with complete safety at all times. You must be at least a CMA member, preferably you already have a valid shooters license for pistol.

If you are eager to learn, train and compete in a both demanding and fun environment then come and join the team!

Location

The camp will be held at the Nakornchaingrai shooting range near Chiang Rai, Thailand.

Program

The shooting practice sessions will be complemented with specialized fitness lessons. The program offers a good balance between instruction, practice, drills, fitness and recovery. After the training there will be ample time to relax, dip in the hotel pool, visit some local attractions, have a delicious Thai dinner and get a good nights sleep.

We highly recommend to make a plan to further explore the magnificent country of Thailand and enjoy more of the many attractions it has to offer before or after the camp.

Arrival and Departure

Arrival: In Chiang Rai team hotel - latest on Sunday evening at 18:00.

Departure: From Chiang Rai - earliest on the following Sunday morning.

Week Plan

We will work along the proven SwissAAA pistol practice methodology, combining effective shooting techniques with efficient movement, superior muscle memory and winning mental capability.

Quite some time will be invested on methods to improve efficiency and effectivity in competitive shooting. The contents will be adapted to the actual skill level and progress of the participants. The speed of advance and the level of difficulty will be modulated according to the performance and the needs of the participants. The safety of all involved persons will remain the top priority at all times.

The draft standard program for the week looks as follows:

| Day | Program | Goals |
|------------------|--|---|
| Sunday | ■ Arrival and Welcome | ■ Get ready for the week |
| Monday | ■ Skills Test ■ L1 Drills: Fundamentals ■ Shooting Fitness | ■ Baseline ■ Eliminate fund. Errors ■ Trigger whole body |
| Tuesday | ■ L2 Drills: Box & Cover ■ L2 Drills: Double Tap, FTF | ■ Eff. Movement and Positions ■ Grip! Front Sight! Trigger! |

Travel

Permits

Visa: Swiss citizens can enter Thailand and stay for a maximum 30 days, without any special visa requirements. Make sure to check the specific rules before departure, since they tend to change rather often.

Flights

You will need to book your own flights around the course dates. There are direct flights from Zurich to

Bangkok. Bangkok to Chiang Rai takes about 1h with a domestic flight.

Local Transportation

We will coordinate the local transportation with rental cars for efficiency.

Accommodation

The goal is to stay at the same place or very near of each other. We will coordinate the accommodation for the team.

Some more rules

Conduct

Safety is the paramount goal of the whole camp. Make sure you handle your firearms safely at all times even when exhausted. It's better to act a little slower and stay safe than to rush things and be sorry later. Your mental capability is the most important asset for all the challenges of the week. Stay

on top of what you are doing at all times!

The participants will work as a team throughout the whole duration of the camp. Everybody will have an equal chance to learn and perform according to his or her abilities. If you see another person struggling get outside of your comfort zone to help him or her and make everybody successful.

All participants need to be on time and ready to perform as the program demands. Breaks are taken as a group and not individually. If you feel you have to leave the group for whatever reason, ask your instructor first.

Be polite and show respect to all persons at all times. This includes all other sportsmen, visitors, workers, personnel of the facility and so on.

Cancellation

After the definitive registration, cancellation by the participant is only possible for reasons of 'force majeure' such as e.g. grave illness or accident. For any refund, corresponding proof will have to be presented such as e.g. medical certificates or police records that clearly show that the participant could not anticipate the situation and he or she is prevented from participating beyond any doubt. SwissAAA has to be notified in writing with all required documentation latest 60 days prior to camp start. From 30 days prior to camp start onward no refund is possible at all. Any refund amount, whether full or partial, is solely determined by SwissAAA. Under no circumstances, any claims can be made for any refunds.

Cancellation by SwissAAA is possible at any time for violation of safety rules or gross misconduct such as for example:

the concerned person

- has made false statements to get registered
- poses a safety risk to himself or herself or any other person
- demonstrates gravely undisciplined behavior such as, for example, disobeying the instructors or violating range rules

Such a cancellation can be done prior to the event or on the spot by the instructor in charge. No refund whatsoever is possible if SwissAAA cancels a participant for the above reasons.
